Purchased this product for a 2006 Chevrolet Cobalt. Nowhere does it say that this product should fit my car, but after searching far and wide for a new fan switch I found out that certain models of Chevy and Pontiac use the same fan switch as other models, only they don't list it as being available for your vehicle.

In a lot of small cars made these days with a "hand brake" for a parking brake, the adjuster is located at the back of the hand brake handle. Not sure of exactly how that particular one is made right where it pivots on the

floor or the rear of it, or it could be at the underside of the vehicle near the hand brake pull.
