03 Instructions You may not use a calculator to answer any questions in this test. Work as quickly and as carefully as you can. You have 45 minutes for this test. If you cannot do one of the questions, go on to the next one. You can come back to it later, if you have time.

### **Test A - SATs papers**

Because the SAT is a paper test (as opposed to a computer test), it's best to take the practice tests on paper. Also, make sure you do your scratch work directly on the test. Don't get out separate pieces of scratch paper to use since on the actual test you won't get any scratch paper (but will be allowed to take notes directly in your test booklet ).
