and pictures of children's homes. Discuss what students notice about the homes of children 100 years ago. Compare and contrast the objects in the book to the common features found in modern homes.

Children's Lives at the Turn of the Twentieth Century

The goal of the Massachusetts public K-12 education system is to prepare all students for success after high school. Massachusetts public school students are leading the nation in reading and math and are at the top internationally in reading, science, and math according to the national NAEP and international PISA assessments.

Massachusetts Department of Elementary and Secondary

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...
