Fortune telling is the practice of predicting information about a person's life. The scope of fortune telling is in principle identical with the practice of divination. The difference is that divination is the term used for predictions considered part of a religious ritual, invoking deities or spirits, while the term fortune telling implies a ...

Fortune telling fraud, also called the bujo or egg curse scam, is a type of confidence trick, based on a claim of secret or occult information. The basic feature of the scam involves diagnosing the victim (the "mark") with some sort of secret problem that only the grifter can detect or diagnose, and then charging the mark for ineffectual ...
