

australian slang phrases pdf

Australian English vocabulary draws heavily on diminutives and abbreviations. These may be confusing to foreign speakers when they are used in everyday conversations. There are over 5,000 identified diminutives in use. While other English dialects use diminu

Australian English vocabulary - Wikipedia

Rhyming slang is so commonly associated with London's East End that it is usually referred to as Cockney rhyming slang. However it's almost as prevalent in some circles of Australian society, and Australian English has many words deriving from rhyming slang. Fortunately common Australian ...

Australian rhyming slang | Ozwords

British slang is English language slang used and originating in the United Kingdom and also used to a limited extent in Anglophone countries such as the Republic of Ireland, South Africa, the United States, Australia, Canada, and New Zealand, especially by British expats.
