

### **battlefield america the war pdf**

No longer would America hold the moral high ground as a champion of freedom and human rights. Instead, in the pursuit of profit, our overlords succumbed to greed, took pleasure in inflicting pain, exported torture, and imported the machinery of war, transforming the American landscape into a battlefield, complete with military personnel, tactics and weaponry.

In Battlefield America: The War on the American People, the follow-up to his award-winning book A Government of Wolves: The Emerging American Police State, constitutional attorney John W. Whitehead paints a terrifying portrait of a nation at war with itself and which is on the verge of undermining the basic freedoms guaranteed to the citizenry in the Constitution.
