Rich Dad's Before You Quit Your Job: Ten Real-life Lessons

Before You Quit Your Job is perfect for that. Kiyosaki is the model entrepreneur. He quit his high paying job to go out on his own, he failed, he learned, he did well, he failed, he learned and then he did very well. He discusses the various peaks and valleys that he experienced and how they have made him a better entrepreneur and business man. It is encouraging to read that Kiyosaki's™ road to the top was not without some major down turns.
