Michael S. Hart (1971) Despite the extensive earlier history, several publications report Michael S. Hart as the inventor of the e-book. In 1971, the operators of the Xerox Sigma V mainframe at the University of Illinois gave Hart extensive computer-time. Seeking a worthy use of this resource, he created his first electronic document by typing the United States Declaration of Independence into ...

Objectives. It is clear that the DASH diet's primary goal is to improve overall nutrition quality. Nevertheless, since the DASH diet eating plan was originally created to help individuals with high blood pressure, it is reasonable to say that the main objective is to help people prevent and control high blood pressure.
