### **online intro botany text - herba.msu.ru**

However, Mauseth's Botany is overall a very good book and provides a worthy title for instructors of introductory botany courses to consider. While it can clearly serve as the primary text for a general botany course, it could also potentially be used as a supporting text for other courses as well.

### **Botany. An introduction to plant biology, 4th edn**

Introduction to Botany Whether you call it botany, plant science or plant biology, it is one of the world's oldest natural sciences. That means that most colleges and universities will have a botany or plant science degree in their Natural Science or Biology department.

Botany: Stranger than Fiction. Plant Science: An Introduction to Botany begins with lectures that address shared features of plants, how they resemble and yet differ from humans, and why there are few truly universal rules that govern all plants in exactly the same way. Instead, later lectures reveal how natural selection has allowed plants to adapt to the widest possible range of environments all around the globe.
