### **Do, 04 Okt 2018 11:47:00 The Fair Pricing Coalition GMT**

In the United Kingdom, coalition governments (sometimes known as "national governments") usually have only been formed at times of national crisis. All six coalition governments in the last 120 years have involved the Liberal and Conservative parties. The most prominent was the National Government of 1931 to 1940.

### **Coalition government - Wikipedia**

A coalition government is a cabinet of a parliamentary government in which several parties cooperate. The usual reason given for this arrangement is that no party on its own can achieve a majority in the parliament .
