Rareware, a company known for its quality games, has hit another one out of the park with Conker's Bad Fur Day (BFD). In Conker's BFD, you play Conker, who is lost and hungover after a night of heavy drinking. The storyline is rather weak and can be summed up as "what Conker runs into while trying to find his way home" as he wanders through various areas, ending up in one odd situation after the another.
