The first step in understanding how to create an implementation plan is working out what a “brand rollout” is. Creating an implementation plan involves looking at all the elements you’ve created for your new, or redesigned brand, and considering how you’re going to introduce them to the world in a calculated and effective manner.

Breakthrough Brand Rollouts: Creating An Implementation

1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country’s public school students “fell below the federal

government's threshold for being "low income," meaning they were eligible for a free or subsidized school lunch.
