creative chordal harmony for pdf

In melody-dominated homophony, accompanying voices provide chordal support for the lead voice, which assumes the melody. Some popular music today might be considered melody-dominated homophony, voice typically taking on the lead role, while instruments like piano, guitar and bass guitar normally accompany the voice.

Homophony - Wikipedia

A chord progression or harmonic progression is a succession of musical chords, which are two or more notes, typically sounded simultaneously. Chord progressions are the foundation of harmony in Western musical tradition from the common practice era of Classical music to the 21st century.
