Roller bearings are the earliest known type of rolling-element-bearing, dating back to at least 40 BC. Common roller bearings use cylinders of slightly greater length than diameter. Roller bearings typically have higher radial load capacity than ball bearings, but a lower capacity and higher friction under axial loads.

In American football, "the Holy Roller" (also known as The Immaculate Deception by San Diego Chargers fans) was a controversial game-winning play by the Oakland Raiders against the San Diego Chargers on September 10, 1978, at San Diego Stadium (now SDCCU Stadium) in San Diego, California. It was officially ruled as a forward fumble that was recovered by Raiders tight end Dave Casper in the end ...
