Adobe Portable Document Format (PDF) What is PDF? PDF is a file format that retains a document's true formatting across platforms and is useful for documents with complex formatting such as newsletters or financial statements.

Adobe Portable Document Format (PDF) | Web Services

Services marketing is a specialised branch of marketing. Services marketing emerged as a separate field of study in the early 1980s, following the recognition that the unique characteristics of services required different strategies compared with the marketing of physical goods.

Services marketing - Wikipedia

Marketing is the study and management of exchange relationships. Marketing is used to create, keep and satisfy the customer. With the customer as the focus of its activities, it can be concluded that Marketing is one of the premier components of Business Management - the other being innovation.

Marketing - Wikipedia
