Spirited Away is a film lauded for its fantastic animated visuals and endearing narrative. Yet, as Westerners, we miss a few particulars in the movie that strongly hint to certain aspects of Japanese myth and religion. These mythological and religious aspects are not only based off of certain types of

In my first post, I mentioned that Spirited Away was the top grossing Japanese animated film and even won an Oscar in 2003. It is a fan favorite and is usually one of the only Studio Ghibli movies people have actually heard of. But before we go into the theory behind the movie, let me tell you a ...
