Wilderness Survival - Us Scouting Service Project Inc

A mini survival kit is a small survival kit which consists of the most essential outdoor survival tools and supplies which are the hardest to improvise, craft on the spot, or replace. It is intended to be carried on one's person at all times, be appropriate to all environments, and be a comprehensive kit without being too large.

The present disambiguation page holds the title of a primary topic, and an article needs to be written about it. It is believed to qualify as a broad-concept article. It may be written directly at this page or drafted elsewhere and then moved over here. Related titles should be described in Survival, while unrelated titles should be moved to Survival (disambiguation).
