An empire is an aggregate of nations or people ruled over by an emperor, or other powerful sovereign or government. The territory of an empire is usually larger and of greater extent than the one of a kingdom. An empire can be made solely of contiguous territories, such as the Austro-Hungarian Empire, or of territories far remote from the homeland, such as a colonial empire.

The Astra Militarum, also known as the Imperial Guard in colloquial Low Gothic, is the largest coherent fighting force in the galaxy. They serve as the Imperium of Man's primary combat force and first line of defence from the myriad threats which threaten the existence of the human race in the late 41st Millennium. It is comprised of countless billions of men and women -- hundreds of thousands ...

Imperialism is a policy that involves a nation extending its power by the acquisition of lands by purchase, diplomacy or military force.. It is different from new imperialism, as the term imperialism is usually applied to the colonization of the Americas between the 15th and 19th centuries, as opposed to the expansion of Western Powers and Japan during the late 19th and early 20th centuries.
