The second edition of DragonQuest is largely the same as the first edition but contains several adjustments to attempt to balance and speed up play. The most significant change is the replacement of the action point combat system from the first edition with a less cumbersome "one action per round" system called "Pulses".

Dragon Quest VII: Fragments of the Forgotten Past FAQs

Unlike DragonStrike the Dragon Quest rules are the D&D rules (anyone who's played any of the D&D or AD&D rule-sets from this period will recognise them immediately). At first glance the Dragon Quest Rule Book looks very thin but it's all in there and is a much more complete game than Dragon Strike.
