

electoral systems and democratization pdf

An electoral system is a set of rules that determines how elections and referendums are conducted and how their results are determined. Political electoral systems are organized by governments, while non-political elections may take place in business, non-profit organisations and informal organisations.

Electoral system - Wikipedia

The main Somaliland electoral laws were (As at 2008) The Presidential & Local Elections Law (Law No: 20/2001) which deals with the direct elections of the President and the Vice "President of the Republic every five years, as well as the election every five years of all the local district councils.

Somaliland Electoral Laws

Parties and Candidates. A country can be said to be democratic only when its elections constitute a real competition among numerous political party-backed and/or independent candidates.

Parties and Candidates - ACE Electoral Knowledge Network

In political science, a wave of democracy refers to a major surge of democracy in history. The term "Third Wave of Democracy" was first coined by Samuel P. Huntington, a political scientist at Harvard University in his article published in the Journal of Democracy and further expounded in his 1991 book The Third Wave: Democratization in the ...

Wave of democracy - Wikipedia

Internal democracy in political parties, also known as intra-party democracy, refers to the level and methods of including party members in the decision making and deliberation within the party structure.
