Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. Many sociologists aim to conduct research that may be applied directly to social policy and ...

LESSONS FROM HISTORY. The dystopian novel was banned upon its translation and release in the former USSR due to its implicit critique of Stalinist political ideology. By contrast, in the 1970s and 1980s, several American counties challenged 1984 on the grounds that it might promote communist ideals.

Shareholders should be realistically allowed to directly select corporate director candidates via the SEC Shareholder Proposal procedure. The days of corporate paternalism should be ended. Corporate governance problems will only be cured when Shareholders can easily remove incompetent/corrupt Directors, i.e., vote them out of office.
