Erotic art covers any artistic work that is intended to evoke erotic arousal or that depicts scenes of sexual activity. It includes drawings, engravings, films, paintings, photographs, and sculptures, and writing.

### **Erotic art - Wikipedia**

Fine-art photography is photography created in accordance with the vision of the artist as photographer. Fine art photography stands in contrast to representational photography, such as photojournalism, which provides a documentary visual account of specific subjects and events, literally re-presenting objective reality rather than the subjective intent of the photographer; and commercial ...
