The Milgram experiment on obedience to authority figures was a series of social psychology experiments conducted by Yale University psychologist Stanley Milgram. They measured the willingness of study participants, men from a diverse range of occupations with varying levels of education, to obey an authority figure who instructed them to perform acts conflicting with their personal conscience.

There is a new trend in email writing to send someone a request and then sign it with "Thanks in advance." or even worse "Thanks in advance!!!". I find this trend bordering on offensive. What do you imply when you use this phrase? Thanks or thank you is an expression of gratitude or acknowledgement of something!
