These Explanatory Notes relate to the European Union (Withdrawal) Act 2018 (c. 16) which received Royal Assent on 26 June 2018 6 15 In addition to the power in section 9 of the Act, the Government has announced that a

EXPLANATORY NOTES European Union (Withdrawal) Act 2018

An explanation is a set of statements usually constructed to describe a set of facts which clarifies the causes, context, and consequences of those facts. This description of the facts et cetera may establish rules or laws, and may clarify the existing rules and/or laws in relation to any objects, or phenomena examined.

Box and Cox (1964) developed the transformation. Estimation of any Box-Cox parameters is by maximum likelihood. Box and Cox (1964) offered an example in which the data had the form of survival times but the underlying biological structure was of hazard rates, and the transformation identified this.
