Since 1981, Bunzl Distribution has grown to be a leader in the distribution of food processing equipment, food packaging, janitorial cleaning equipment, and safety & cleaning products.

Plant Operating Supplies & Equipment for the Food

The food industry is a complex, global collective of diverse businesses that supplies most of the food consumed by the world's population. Only subsistence farmers, those who survive on what they grow, and hunter-gatherers can be considered outside the scope of the modern food industry.. The food Industry includes: Agriculture: raising of crops and livestock, and seafood
