The middle of the twentieth century was marked by significant and persistent increase in fertility rates in many countries of the world, especially in the West. There is some disagreement as to the precise beginning and ending dates of the post-war baby boom, but it is most often agreed to have begun in the years immediately after the war ...

Stacked area graphs are not your friend. Seriously. I want to make this abundantly clear. I'm going to expound on some of the work of Stephen Few here and lay out what stacked area graphs are, why they are a poor type of data visualization, and what are some good alternatives. A stacked area graph ...
