

handbook of infant development pdf

Upon completion of this module, child care consultants will be able to: Describe factors that affect infant/toddler development and identify resources for reference on developmental milestones. Discuss how the integrated nature of infant/toddler development affects overall growth and development ...

Infant and Toddler Development, Screening, and Assessment

Infant cognitive development is the study of how psychological processes involved in thinking and knowing develop in young children. Information is acquired in a number of ways including through sight, sound, touch, taste, smell and language, all of which require processing by our cognitive system.
