Webopedia's list of Data File Formats and File Extensions makes it easy to look through thousands of extensions and file formats to find what you need.

List of File Extensions and Data Formats - Webopedia

Conventional wisdom holds that to increase loyalty, companies must "delight" customers by exceeding service expectations. A large-scale study of contact-center and self-service interactions, however, finds that what customers really want (but rarely get) is just a satisfactory solution to their service issue.

Stop Trying to Delight Your Customers - Ideas and Advice

Computer graphics are pictures and films created using computers. Usually, the term refers to computer-generated image data created with help of specialized graphical hardware and software.

Computer graphics - Wikipedia

From 1948 to the mid-1970s, increases in productivity and wages went hand in hand. Then a gap opened between the two.

Profits Without Prosperity - Harvard Business Review

A few months ago we discussed Ron Unz's claim that Jews are massively overrepresented in Ivy League college admissions, not just in comparison to the general population of college-age Americans, but even in comparison to other white kids with comparable academic ability and preparation. Most of ...

That claim that Harvard admissions discriminate in favor

Gameplay. Capitalism is a simulation game which can be played in two different ways. The player may start their own business or play a scenario with a pre-made business with a set goal. In a new game, the player begins with a maximum of \$200,000,000 initial capital. Each store can be stocked with up to four different items.
