

**indology indomania and orientalism pdf**

Indomania or Indophilia refer to the special interest India, Indians and Indian culture have generated in the Western world, more specifically the culture and civilisation of the Indian subcontinent, especially in Germany. The initial British interest in governing their newly conquered territories awoke the interest in India, especially its culture and ancient history.

**Indomania - Wikipedia**

Indology or South Asian studies is the academic study of the history and cultures, languages, and literature of India and as such is a subset of Asian studies.. The term Indology or (in German) Indologie is often associated with German scholarship, and is used more commonly in departmental titles in German and continental European universities than in the anglophone academy.
