4.5 starsI loved this book, after reading Kidnapped Cowboy a couple of years ago I have been waiting for this story. I loved Brandon's story, although in this book he appeared a lot more relaxed then in the first book although he was still very serious, I also thought Megan was lovely and both were really nice and very likeable characters.

Captive Cowboy book 2 in the Captured Hearts series was a First time read for me of a Lindsey Brookes title. Read out of series order didn't detract from the story. Yes, there were plenty of references to the first book in the series but I could easy follow the storyline without that 'missing the first 20 minutes of a movie' feel.
