Trastorno bipolar - Royal College of Psychiatrists

There is no consensus on Vincent van Gogh's health. His death in 1890 is generally accepted to have been a suicide. Many competing hypotheses have been advanced as to possible medical conditions from which he may have suffered. These include epilepsy, bipolar disorder, sunstroke, acute intermittent porphyria, lead poisoning, and M3nre's disease

Health of Vincent van Gogh - Wikipedia

Borderline personality disorder is a serious dramatic-erratic personality disorder, classified by DSM-IV as part of a group of 4 related personality disorders although symptoms may overlap with the patient with borderline personality

Borderline Personality Disorder - - RN.org®

Borderline personality disorder (BPD), also known as emotionally unstable personality disorder (EUPD), is a long-term pattern of abnormal behavior characterized by unstable relationships with other people, unstable sense of self, and unstable emotions. There is often dangerous behavior and self-harm. People may also struggle with a feeling of emptiness and a fear of abandonment.

Borderline personality disorder - Wikipedia

Catatonic Disorder Due to Another Medical Condition. Clinicians use this classification when there is evidence from the history, physical examination, or laboratory findings that the disturbance is the direct pathophysiological consequence of another medical condition.

Hi Alexa, Thank you so much for taking the time to check out our blog and share your experiences with our online community. I know it can be hard to hear, but the behaviors you're describing like checking through your phone, judging the other people you spend time with, and threatening, hurting, or insulting you physically all sound like abusive behaviors.

Apologies and Excuses " Loveisrespect.org

They could be feeling rage and pain from not being able to connect properly with anyone. So they try to connect with others, the way everyone else does -- by being with others that feel like they do -- by making others feel the pain and rage they feel.
