Title origin. The book was originally published with the title The Naked Lunch in Paris in July 1959 by Olympia Press. Because of US obscenity laws, a complete American edition (by Grove Press) did not follow until 1962. It was titled Naked Lunch and was substantially different from the Olympia Press edition because it was based on an earlier 1958 manuscript in Allen Ginsberg's possession.

Does it need to be expensive? NO! If you stay and eat at B+B's and have picnic lunches and take 4 days from London, it'll cost of the order of £250-£300 a head including ferry and Eurostar back: not bad for a great four-day holiday, and a fraction of the cost of organised London-Paris bike tours.
