Maya Angelou (1928-2014) was a modern day Renaissance woman – author, poet, activist, dancer, singer, director, teacher and hero. After her death last month, I was flooded with submissions from you to adapt one of her poems. I was a bit daunted when choosing which one to adapt since there are so many great poems to choose from which mean so much to so many people.

The underworld is the world of the dead in various religious traditions, located below the world of the living. Chthonic is the technical adjective for things of the underworld.. The concept of an underworld is found in almost every civilization, and "may be as old as humanity itself". Common features of underworld myths are accounts of living people making journeys to the underworld, often ...
