Joint Doctrine Library

The military doctrine of the Russian Federation is a strategic planning document of the Russian Federation and represents a system of officially state adopted views of preparation for the armed protection of Russia. The most recent revision of the military doctrine was approved in 2014. Numerous successive revisions of military doctrine have been promulgated since 1990.

Air War College: References, Online and Off

People sleep peaceably in their beds at night only because rough men stand ready to do violence on their behalf. --- George Orwell. I am therefore of the opinion that when a democratic people engages in a war after a long peace, it incurs much more risk of defeat than any other nation; but it ought not easily to be cast down by its reverses, for the chances of success for such an army are ...
