Magic: The Gathering formats are various ways in which the Magic: The Gathering collectible card game can be played. Each format provides rules for deck construction and gameplay, with many confining the pool of permitted cards to those released in a specified group of Magic card sets. The DCI, the governing body that oversees official Magic competitive play, categorizes its tournament formats ...

Technical drawing, drafting or drawing, is the act and discipline of composing drawings that visually communicate how something functions or is constructed.. Technical drawing is essential for communicating ideas in industry and engineering. To make the drawings easier to understand, people use familiar symbols, perspectives, units of measurement, notation systems, visual styles, and page layout.
