FET Certificate: Early Childhood Development NQF 4 | DCC

A study sponsored by the Association of Learned and Professional Society Publishers showed that 52 percent of commercial and 45 percent of not-for-profit publishers interviewed have formally addressed long term preservation of their publications with most taking on the responsibility themselves. Third party archives such as JSTOR, OCLC, and HighWire LOCKSS are used. Discipline-specific ...

North Korea - Wikipedia

In physics, string theory is a theoretical framework in which the point-like particles of particle physics are replaced by one-dimensional objects called strings.It describes how these strings propagate through space and interact with each other. On distance scales larger than the string scale, a string looks just like an ordinary particle, with its mass, charge, and other properties ...

String theory - Wikipedia

The Destinations of Leavers from Higher Education (DLHE) record supplements the Student record and collects information about what those completing their HE courses go on to do.
