

### **new directions in literary pdf**

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.

### **Introduction to Modern Literary Theory - Kristi Siegel**

Literature, most generically, is any body of written works. More restrictively, literature refers to writing considered to be an art form, or any single writing deemed to have artistic or intellectual value, often due to deploying language in ways that differ from ordinary usage.
