Dear Ohioans: One of the most difficult issues parents living apart face is determining suitable parenting time schedules that strengthen and nurture the parent-child relationship.

Planning for Parenting Time

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...
