

philippine political law by pdf

The Philippine nationality law is based upon the principles of jus sanguinis (Latin for right of blood) and therefore descent from a parent who is a citizen or national of the Republic of the Philippines is the primary method of acquiring Philippine citizenship. This is contrasted with the legal principle of jus soli where being born on the soil of a country, even to foreign parents, grants ...

Philippine nationality law - Wikipedia

Congress is a bicameral legislature. The upper house, the Senate, is composed of 24 senators elected via the plurality-at-large voting with the country as one at-large "district." The senators elect amongst themselves a Senate President. The lower house is the House of Representatives, currently composed of 292 representatives, with no more than 20% elected via party-list system, with the rest ...
