Social Stratification and Plantation Mentality: Reading

[Interviewer's summary] On this plantation were more than 100 slaves who were mated indiscriminately and without any regard for family unions. If their master thought that a certain man and woman might have strong, healthy offspring, he forced them to have sexual relation, even though they were married to other slaves.

For many enslaved African On Slaveholders' Sexual Abuse of

From one-quarter to one-half of all sugar consumed in the United States came from Louisiana sugar plantations. Plantations grew sugarcane from Louisiana's colonial era onward, but large scale production did not begin until the 1810s and 1820s.
