

political corruption readings in pdf

Political corruption is the use of powers by government officials or their network contacts for illegitimate private gain. An illegal act by an officeholder constitutes political corruption only if the act is directly related to their official duties, is done under color of law or involves trading in influence.. Forms of corruption vary, but include bribery, extortion, cronyism, nepotism ...

Progressivism in the United States is a broadly based reform movement that reached its height early in the 20th century and is generally considered to be middle class and reformist in nature. It arose as a response to the vast changes brought by modernization, such as the growth of large corporations, pollution and fears of corruption in American politics.

A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...
