### **Map of Saint Lucia - Lonely Planet**

Saint Lucia's tourist industry has grown steadily in the last 20 years. Its increasing appeal as an eco-destination because of its delightfully unspoilt natural resources, augurs well for the future. Lucians have a reputation in the rest of the Caribbean for being surprisingly worldly, mentally tough and resourceful. Despite the many ...

Explore St Lucia holidays and discover the best time and places to visit. | Blessed by nature, St Lucia has geographic and cultural riches enough to embarrass far bigger nations. Notwithstanding, it remains a down-to-earth place that wears its breathtaking beauty with nonchalance. Noted for its oodles of small and luxurious resorts that drip color and flair, it is really two islands in one.
