capabilities. Employee participation is therefore an important element in performance appraisal. Yet some of the most salient differences in culture are noticeable when

Managers and Non-Managers Participation in Performance

Stepping Up Our Game: Re-focusing the Security Community on Defense and Making Security Work for Everyone. Since the first Black Hat conference 20 years ago, the security community, industry and the world have changed to the point that it's time to re-examine whether we're living up to our responsibilities and potential.
