

structure of individual psychotherapy pdf

In the social sciences there is a standing debate over the primacy of structure or agency in shaping human behaviour. Structure is the recurrent patterned arrangements which influence or limit the choices and opportunities available.

Structure and agency - Wikipedia

What is Psychotherapy? A definition. According to the American Psychological Association (APA), psychotherapy can be defined as a "collaborative treatment" between an individual and a psychologist where the psychologist uses "scientifically validated procedures to help people develop healthier, more effective habits".
