2 heard it.2 This remains the proper, or classical, sense of the term. The second element focused on those with strong Christian affiliation who were "eager in their faith and Christian living".3 However, there was a third, intermediary element, it is from here that the new evangelization takes its meaning.

Mottainai is a term of Japanese origin that has been used by environmentalists. The term in Japanese conveys a sense of regret over waste; the exclamation "Mottainai!" can translate as "What a waste!" Japanese environmentalists have used the term to encourage people to "reduce, reuse and recycle", and Kenyan environmentalist Wangari Maathai used the term at the United Nations as a slogan to ...
