The Seven Axioms of Security "Today's attacks succeed because the defense is reactive." As the defenses have caught up and closed open doors, we attackers have looked for new avenues and vectors.

Black Hat Asia 2017 | Briefings

From the Rational Edge: Mike Hanford asks some basic questions about program management and discusses practices associated with this discipline. He explains relationships between project management and program management roles and techniques, noting significant differences.

Program management: Different from project management
