

the advertising concept book pdf

Advertising is an audio or visual form of marketing communication that employs an openly sponsored, non-personal message to promote or sell a product, service or idea.: 465 Sponsors of advertising are typically businesses wishing to promote their products or services.

Advertising - Wikipedia

False advertising is the use of false, misleading, or unproven information to advertise products to consumers or advertising that does not disclose its source. One form of false advertising is to claim that a product has a health benefit or contains vitamins or minerals that it in fact does not.
