the elements of journalism pdf

Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, using methods of gathering information and utilizing literary techniques. Various forms of journalistic mediums include: print, television, radio, Internet and in the past: newsreels. Concepts of the appropriate role for journalism vary between countries.

Journalism - Wikipedia

Gonzo journalism is a style of journalism that is written without claims of objectivity, often including the reporter as part of the story via a first-person narrative. The word "gonzo" is believed to have been first used in 1970 to describe an article by Hunter S. Thompson, who later popularized the style. It is an energetic first-person participatory writing style in which the author is a ...
