Fictional detectives are characters in detective fiction. These characters have long been a staple of detective mystery crime fiction, particularly in detective novels and short stories. Much of early detective fiction was written during the "Golden Age of Detective Fiction" (1920s-1930s). These detectives include amateurs, private investigators and professional policemen.

A detective is an investigator, usually a member of a law enforcement agency. They often collect information to solve crime by talking to witnesses and informants, collecting physical evidence, or searching records in databases. This leads them to arrest criminals and allow them to be convicted in court. A detective may work for the police or privately.
