Support New America " We are dedicated to renewing America by continuing the quest to realize our nation's highest ideals, honestly confronting the challenges caused by rapid technological and social change, and seizing the opportunities those changes create.

New America

Women in the California Gold Rush, which began in Northern California in 1848, initially included Spanish descendants, or Californios, who already lived in California, Native American women, and rapidly arriving immigrant women from all over the world. At first, the numbers of immigrant women were scarce, but they contributed to their community nonetheless.
